

Images on cover must be of 300 dpi

Use the RGB colour scheme and ensure that colours on screen match expectations

Bleed: 0.25in

Sample shown is for a book of width 5in and height 8in.

Margin: All text must be 0.25in inside trim edge. A margin of 0.5in is preferred

Bleed: Cover background must extend 0.25in beyond trim size on all four sides to allow for cutting/trimming. This is the "bleed"
